

# Angels and Ghosts

C

Angels and ghosts have been floating through time

C

Filling the space in our stories and rhymes

F

But the great men of science can explain them away

Fm

C

They are not on the high street today

Dm

C

**A few last words, the prophets still try singing**

Dm

F

C

**Drowned out by those virtual cash tills ringing**

C

So, God and the devil are moving on line

C

Competing with Facebook and Amazon Prime

F

Like the great advertisers and marketing signs

Fm

C

They are seeking control of our minds

Dm

C

**A few last words, the prophets still try singing**

Dm

F

C

**Drowned out by those virtual cash tills ringing**

C

Whilst they build a new heaven they can't let you in

C

Constructing a new mall from the rubble of sin

F

The great gates of hell must be doing good trade

Fm

C

Buying the souls of the lost and waylaid

Dm

C

**A few last words, the prophets still try singing**

Dm

F

C

**Drowned out by those virtual cash tills ringing**

C

Angels and ghosts have been floating through time

C

Filling the space in our stories and rhymes

F

But the great men of science can explain them away

Fm

C

They are not on the high street today
