

C Am
When I was young, I heard a song

Em
Four Dead in Ohio

F G
Crosby Stills Nash and Young

C Am
A president was shot down dead

Em
Defining moments

F G
How could we forget

Em Am
Oh Loony Tunes what have you
done?

F G
Created cowboys and you gave them
guns

Em Am
They lost their daughters and they
lost their sons

F G
You cannot leave the trail that you
started out on

C Am
From Hollywood to Disneyland

Em
You wove the dreams

F G
And sold them to my distant land

C Am
And time and time I watch the news

Em
The home of rock n roll

F G
Is singing the blues

CHORUS INSTRUMENTAL

C Am
A twisted freedom is your fate

Em
Gunfire in school

F G
All the pain you tolerate

C Am
Land of the free, a devil's kiss

Em
Go buy a gun

F G
Become a terrorist

Em Am
Oh Loony Tunes what have you done

F G
You rotted brains, you gave them
guns

Em Am
You lost your daughters and you lost
your sons

F G
And a crazy, arms race is your only
solution
