

# Demons Inside

G#m      F#m      G#m      F#m

I was a soldier boy, witnessed suffering and pain.

G#m      F#m      G#m      F#m

I had become quite numb, killed again and again.

## Chorus 1

C#      B      A      G#m

So, all of my 'yesterdays' came flooding back in

C#      B      A      G#m

So all of my 'yesterdays' and the demons within.

You were a shining light, peace and joy in your heart.

You gave me your everything, we made a fresh start.

## Chorus 2

Then all of my 'yesterdays' came flooding back in.

Then all of my yesterdays and the demons within.

I shouldn't have lost you, I had been warned.

I shouldn't have let you go in the eye of the storm.

## Chorus 3

But all of my 'yesterdays' came flooding back in.

But all of my 'yesterdays' and the demons within.

Now you are far away and I'm counting the cots.

Trapped in my 'yesterdays' and all that I've lost.

## Chorus 4

Now all of my 'yesterdays' come flooding back in.

Now all of my 'yesterdays' and the demons within.
