

The Northlands

C G Am Em/G

Take me back, so far from here,

FM7 Dm/F F G F G

Take me to the Northlands.

C G Am Em/G

Sail me back across the sea,

FM7 Dm/F F G

Take me to the north.

Chorus

F#m A E F#m

Fire and ice, rock and sea

F#m A B

Calling out to me

F#m A E F#m

Northern lights in the sky

F#m A B

Shining bright for me

Ships upon the whale road

Sailing to the northlands.

Midnight sun, eternal home

Take me to the north.

Chorus

Steer me in the burning boat

Always to the northlands.

Follow on behind the ghosts,

Take me to the north.
