

Better Up

E

You're better up

Than down

B

You're better floating in the clouds

A

Than falling to the ground

E

Better to dance and sing

B

A

Open up your heart and let that
feeling in.

E

Better to dance and sing.

You're better in

Than out

You're better making yourself sure

Than battling with self-doubt

Better to jump

And run

Soak up lots of love - a moment in the
sun

Better to jump and run

D

We'll be a beacon in the dark

A

We will build strength

D

By holding hands and linking arms

A

We will build strength

E (instrumental verse)

D

We'll be a light when all is grey

A

We will build hope

D

Making a dawn for a brand new day

A

E

We will build hope

You're better here

Than there

You're better dancing in the street

Than being all down beat

Better to give

and share

Then when you need your friends,
they will all be there.

Better to give and share.

A

E

Better to Dance & sing

Better to jump & run

Better to give & share

Better here than there

Better in than out

You're better up than down (Repeat
to fade)
