

Catch Me

E A/E

I'm close to the edge

E A/E

Not feeling my best

E Emaj7

I'm perched on a ledge

Asus2 E

So please catch me

I am fading away

To a pale shade of grey

At the end of the day

Will you please catch me

F#m G#m A E

I want to be with you always

Going out of my mind

Too many things I can't find

Running right out of time

Will you please catch me

I'm living in hope

But I just cannot cope

I really need you

So please catch me

I want to be with you always

Instrumental verse

Going round in my head

All the things that were said

All the games and regrets

Won't you please catch me

Before it gets lost

And I pay the full cost

I give you my trust

So please catch me
