

Spy and Traitor

Dm Gm/D Dsus4 Dm

You said you would enrol me

Gm/D Dsus4 Dm

The spooks who bought and sold me

Gm/D Dsus4

I don't know who controls me

D

Now....

I watch the system fail me

Collapsing all around me

I need alternate reality

Now.....

CHORUS

F#m G

The agency that made me

F#m G

Now tries to erase me

F#m G

They seek to delete me

D

Now.....

The secrets you're receiving

Cat and mouse, deceiving

Hide here, hardly breathing

Now....

Footsteps are right behind me

Where shadow people find me

I need alternate reality

Now.....

CHORUS

Cold war is always raging

And a nation needs betraying

I am a spy and traitor

Now....
