

Something New

Am Am/G Dm

There was always something new

 E E/F# E/G# Am

In the way of me and you

Am Am/G Dm

Love just cuts us through and through

 E E/F# E/G# Am

That, I guess, we always knew.

CHORUS

F F/E C

And we could try to put things right

 G/D G

We just might

 Am

But then we'd fight

F F/E C

'Coz when we try to put things straight

 G/D G

We make mistakes

 Am

We lose our way

There is always something new

In the way of me and you

Something New

To be apart will hurt, its true

But we both know what we must do

Bridge

Am Am/G Am/F# Am/F

Em F

This isn't working

Em F

It's just hurting

Em F C

And I don't know what we're hurting for

INSTRUMENTAL CHORUS

There will then be something new

In the way of me and you

There is nothing we can do

Let's walk away, let's face the truth

CHORUS

There is always something new

In the way of me and you
