

# Defences

D<sup>b</sup> m | E<sup>b</sup> m | F#m | A<sup>b</sup> m | D<sup>b</sup> m

Build your own defences

Time to draw the battle lines

Hide behind the walls and fences

Delete all place names from the signs

Bring your own crude weapons

Find a place to wage the war

And whatever tyrants threaten

Stand together and be sure

Build your own resistance

Hold yourself through this distress

Invaders who deny their own existence

From the people they oppress

Build your own new nation

From the ruins of your lives

Watch dictators in their bunkers

Hang themselves with their own lies
