C

She spoke to me

Gm

Of table mountains

Am

And a grassland green

Dm

Multicoloured sunsets

C

Gm

In the biggest sky

Am Dm

I have ever seen

CHORUS

F

Am

On the southern shore of Africa

C

Gm

Two oceans meet and play

F

Am

In the darkest hours, a lion sleeps

C

Gm

Beneath the Milky Way

We crossed the desert

The great Karoo

On the slowest train

Refracted sunlight

From the biggest hole

Live a diamond life again

Wildlife abounds

A game reserve

Learn to flee and fight

All fenced together

In the biggest park

With the real world locked outside
