Oh! The passionate fire inside

F G D F#m

Burning so brightly through your life

F G D F#m

Burning so brightly through

Oh! The brightest sun shone down on you

Oh! The brightest sun shone down

Lighting the sky inside of you

Lighting the sky inside

Oh! The magnificent star above your head

Oh! The magnificent star above

Guiding you always beyond yourself

Guiding you always beyond

Now the palest of moons shines down on you

Now the palest of moons shines down

Silver light on water in the night

Silver light on water.....
