

Contradiction

Am

Look inside me

E

You might be frightened by what you see

G

There are priest holes and cavities

D

Places where I like to hide

What will you find?

You might get lost inside a dark mind

There are cupboards and tunnels

Places where I like to hide

Chorus

F

I'm not who you think I am

C

Externally a normal man

G

Inside I'm a bursting dam

E

Contradiction as a flood

F

Not what you expect of me

C

Never what I want to be

G

Not someone that you'll ever see

E

Contradiction's in my blood

Look for my heart

You might get stranded on a lost path

There are nightmares and dark parts

Places where I like to hide

Stare in my eyes

You might discover a deep disguise

There are oceans and wide skies

Places where I like to hide

**Chorus 1 then verse instrumental the
chorus 2**

Is there hope for me?

You might be shocked by the imagery

There are shelters and high screens

Places where I like to hide

This is my life

Contradiction, internal strife

The secret doors and passages

Places that I like to hide

Chorus
