

Somewhere in Idaho

B A E x 2

B A E
It's just one step from Canada into Idaho

B A E
A short trip down Snake River through Hells Canyon

B A E
Wonder where all that raging water goes

B A E
Tumbling from a great height over Soshone

E D C E

CHORUS

E D A
Somewhere in Idaho is a place that I'll never go

E D A
Somewhere in Idaho is a city I will never know

E D A
Somewhere in Idaho is a pretty girl who I will never see

E D A C D E
'Coz somewhere in Idaho is a place I'll never be

Look at all the people living on the riverplain
Settled long ago, on the trail to Oregon
In the shadow of the Borah Peak, Lost River Range
Valleys of Treasure and Magic, where the Salmon River runs

Somewhere in Idaho is a place that I'll never go
Somewhere in Idaho is a city I will never know
Somewhere in Idaho is a pretty girl who I will never see
'Coz somewhere in Idaho is a place I'll never be

The closest I'll get to Idaho is on my TV
Clint Eastwood, Pale Rider in the Sawtooth National Park
Opening credits in the mountains filmed near Stanley
Boulder Mountains in the sunset as Idaho goes dark

Somewhere in Idaho is a place that I'll never go
Somewhere in Idaho is a city I will never know
Somewhere in Idaho is a pretty girl who I will never see
'Coz somewhere in Idaho is a place I'll never be
