

The Road to Ruin

A

You forgot to be human

Show some compassion, show some love

You, don't know what you're doing

It's the road to ruin for everyone

We don't need your stupid war no more

A

You now live in a bubble

Make acres of rubble with your guns and bombs

You don't know what you're doing

It's the road to ruin for everyone

A

You seem devoid of emotion

Total devotion to caring for no one

You don't know what you're doing

It's the road to ruin for everyone

A

You are slave to destruction

A constant eruption that darkens the sun

You don't know what you're doing

It's the road to ruin for everyone.
