Hey Judas!

C

Well, I'll tell you a tale of lying and betrayal

F

Filling you with dread and messing with your head

G

Have you ever seen a traitor

                           C

That's as vicious as an urban alligator?

 C   F

Hey Judas! Don't make it bad

G

Your lies and deceit are enough

                           C

To make the whole world sad

C   F

Hey Judas! One man shark attack

G

You scheme and you cheat

                              C

Manoeuvre and go stabbing in the back

Am

Judas was a guy who would look you in the eye

F

Swear it was the truth when in fact it was a lie

Am

Judas was a cad who liked turning good things bad

F

Pretend he was your friend

                           G

Then take everything you had

C

Well, I'll tell you a tale of lying and betrayal

F

Filling you with dread and messing with your head

G

Have you ever seen a traitor

                           C

That's as vicious as an urban alligator?

Post chorus as instrumental

Am

Judas was a liar who always played with fire

F

Only had one aim to get for ever higher

Am

Judas sold your secret, the one just you and he kept

F

Did it for the money

                           G

Walked away without regret

C

Well, I'll tell you a tale of lying and betrayal

F

Filling you with dread and messing with your head

G

Have you ever seen a traitor

                           C

That's as vicious as an urban alligator?

G

Have you ever seen a traitor

                              C

That's as vicious as an urban alligator
