

Think of Something Beautiful

E

Think of something beautiful

Think that something good is coming

Think of something wonderful

Think that something good is coming

C

A giant umbrella will stop the rain

A

Make the grey skies blue again

Think of something beautiful

Know that something good is coming

Think of something wonderful

Know that something good is coming

Throw yourself into the light

Make your future shine so bright

Think of something beautiful

Believe that something good is coming

Think of something wonderful

Believe that something good is coming

C A E D

D

We couldn't, could we?

Set ourselves free

C#m

Be everything we ever wanted to be

We couldn't, could we?

Break all those chains

Get back to all the things we love again

We couldn't, could we?

Break up all that doubt

E

Think of something beautiful

And let it all out

Think of something beautiful

And let it all out
