

Intro B  
CHORUS

B E  
This is it, this is everything  
Every grain of sand or ocean wide B  
This is it, this is everything E  
Every star that sparkles in the sky B  
You and I C#m  
You and I B

Verse 1

B  
I was walking with my eyes closed  
When you fell into my life C#m  
An explosion, unexpected B  
Now my eyes are open wide E  
And all that I can think of now B  
Is you and I C#m E  
You and I B

CHORUS

E  
I never thought that love would be  
B  
Everything  
E  
But since I met you my heart has learned  
B  
To sing again

Guitar Solo over chorus

Verse 2

B  
Now that I am with you  
I'm burning like the sun C#m  
Once everything was nothing B  
But now it's fused as one E  
And all that I can think of now B  
Just you and I C#m E  
You and I B

CHORUS

Then repeat  
C#m  
You and I  
You and I B
