

Everything Changes

Am Em/A

Here in my basement

Am G/A C C

My life is Ebbing away

Am Em/A

Sat in the screen light

Am G/A C C

I can do little but play

Chorus

D

But here in this world

E

Everything changes

C D

I become a new man

D

Here in this world

E

A place full of strangers

C D

My friends all know who I am

Here in my frail shell

I sit in the dark on my own

But when I transform myself

I am never alone

Everything Changes

Chorus

My father can't see me

My mother knows not what I've done

But if I am missing

My friends will all notice I've gone

Instrumental

C7 Aug D E C

Candles are burning

In places that I've never seen

For I have been wandering

To a place where I've lived all my dreams

Instrumental

C7 Aug D E C
