

A

Hey Paul,

D

You wrote enough good songs to fill us all

D

In every song you write - a melody

B

To touch the soul

A

Hey Paul

A

F#m

A

With John,

D

A

You'd find the perfect moment in a song

D

F#m

Transport us to the place we all belong

B

Summers of love

A

With John

D

You like to rock 'n roll us

Through a bass line you cajole us

F#m

To a psychedelic moment

A

So avant garde

D

Drive us down a winding road

So we can't know where we will go

F#m

Then in a song

A

Words to break our hearts

D

Break our hearts

A

And we all sing a-long

A

Hey man,

D A

Always in a runaway band

D F#m

On strings and keys we watch your magic hands

B

So many fans

A

Hey Man

Instrumental Chorus – guitar solo

Sing last line

A

And we all sing a-long

D

You like to rock 'n roll us

Through a bass line you cajole us

F#m

To a psychedelic moment

A

So avant garde

D

Drive us down a winding road

So we can't know where we will go

F#m

Then in a song

A

Words to break our hearts

D

Break our hearts

A

And we all sing a-long

A

Hey Paul,

D

A

Head and shoulders, stood above us all

D

F#m

I am, a nowhere man who likes to sing

B

Some of your songs

A

Hey Paul!
