

# Monday at Wembley

Spent Monday at Wembley

Following the mighty Wednesday

Don't remember Tuesday at all

44,000 in the east end stand

Singing along to the Wednesdayite band

Play-off final: winner takes it all

Wednesday we're back in Sheffield

Nowhere near a football field

Stood outside the Sheffield City Hall

Monday we won at Wembley

All we had to do was all believe

Now we don't remember Tuesday at all

## Chorus

But we were

## Chorus

4-0 down in the semi

And we still won the game

So after Thursday night

Hillsborough will never be the same again.

Going down 'the bumpy hillside'

Heading for Wembley Way

Rockin' and rolling in the blue and white

Darren's barmy army march

Underneath the sunlit Wembley arch

One more match to put our season right

## Chorus

Going into extra time

Could the boys pull themselves across the line

The rollercoaster game is in full flow

Then within the final minute

Diving header, ball hits the net

And the Wednesday end just explodes

We were one nil up in the final

The whistle went to end the game

So, after Monday

The Owls will be in the Championship again
