

The Boom-Boom Room

Dm

Dm7

I was a young man pushing at doors

Dm6

Dm

Looking for peace but fighting wars

G

Outside the Boom-Boom Room

Dm

Outside the Boom-Boom Room

She waved at me and beckoned me in

She was offering sex and sin

Inside the Boom-Boom Room

Inside the Boom-Boom Room

A

G

She showed me things I'd never seen

Dm

Took me places that I'd never been

Days turned to months, months turned to years

Doing stuff that was really weird

Inside the Boom-Boom Room

Inside the Boom-Boom Room

They gave me drink, they gave me pills

Living in the red light was making me ill

Inside the Boom-Boom Room

Inside the Boom-Boom Room

There were moments I tried to abstain

But I always went back to the Room again

I lost sight of family and friends

Losing everything towards the end

At the Boom-Boom Room

At the Boom-Boom Room

So here am I at the end of my days

Never getting to be middle-aged

In the Boom-Boom Room

In the Boom-Boom Room

She was the face in the door that night

But darker faces got to own my life

So, let me tell you what you need to know

There's a place you never should go

It's called The Boom-Boom Room

It's called The Boom-Boom Room

It's not just sex, its not just booze

It's not the drugs that you get to choose

It's the Boom-Boom Room

They own you in the Boom-Boom Room

You see the sign on a run-down street

That's where the Devil is waiting for me
