

# Unethical Ghost

Unethical ghost – cheating on your wife

Unethical ghost – backhanders, favours, bribes

Unethical ghost – avoidance, sliding lies

Unethical ghost – a shyster who never dies

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”

Unethical ghost – climbing to the top

Unethical ghost – don’t know when to stop

Unethical ghost – anything and everything goes

Unethical ghost – when you step from the shadows

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”

Unethical ghost – locked up in your cage

Unethical ghost – kicking the door in rage

Unethical ghost – shouting as you fade

Unethical ghost – hung in the web you made

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”

“You’ll go down for this!”
