So you'll be paying us, year after year – after year

VERSE 2

You used to buy those things that you could keep

But now we sell to you through 'pay eternity' – eternity

We are corporations, incorporate everything

All the films you watch and songs you like to sing

Rapid agglomeration, we can buy it all

Then you're only entertained after your renewal – renewal!

VERSE 3

Enjoy your TV sport? We have those rights as well

We own you day and night as far as we can tell – can tell!
