

# Footprints in Sand

Bernard Dady

### Verse 1

F#m C#m  
I've been stepping out lately  
D A E  
In this cruel, crazy world  
F#m C#m D A  
But recently I'm always lost  
F#m C#m  
I looked in the window  
D A E  
For something to buy  
F#m C#m  
I paid the price  
D A  
But didn't count the cost

### Chorus

D A  
Something's not right  
E C#m  
In everyone's lives  
D A E  
Something in need of repair  
D A  
Footprints in sand  
E C#m  
Are making a path  
D A E  
But it just doesn't lead anywhere

### Bridge

F#m C#m  
So, you can find me  
D A E  
At the far edge of time  
F#m C#m D A  
I will be waiting at the road sign  
F#m C#m  
You may mistake me  
D A E  
For Someone who hurts  
F#m C#m  
But you will find  
D A  
I'm just fine

### Verse 2

F#m C#m  
I've been on this journey  
D A E  
In a cruel, crazy world  
F#m C#m D A  
Now I've survived all the shocks  
F#m C#m  
I tried to be better  
D A E  
But I'm lost for words  
F#m C#m  
Too many doors  
D A  
Remain locked

### Chorus

D A  
Something's not right  
E C#m  
In everyone's lives  
D A E  
Something in need of repair  
D A  
Footprints in sand  
E C#m  
Are making a path  
D A E  
But it just doesn't lead anywhere

### Bridge

F#m C#m  
So, you can find me  
D A E  
At the far edge of time  
F#m C#m D A  
I will be waiting at the road sign  
F#m C#m  
You may mistake me  
D A E  
For Someone who hurts  
F#m C#m  
But you will find  
D A  
I'm just fine
