

The Escape Room

Bernard Dady

VERSE 1

G Dm/F
Sat with walls closing in on me

G Dm/F
On a chair in this room

G Dm/F
Looks like life has foreclosed on me

C D
Through this weird cosmic zoom

VERSE 2

Well, I've got to break out of this
A severe malady
Smash the door with a bleeding fist
Let the view rescue me

CHORUS

F#m G#m
Oh no! if you only knew

F#m G#m
How I got stuck in the escape room

F#m G#m
Where the puzzles inside of me

G#m B
Won't let me break free

VERSE 3

G Dm/F
I see stairs to the front of me

G Dm/F
There are feet on the steps

G Dm/F
Then a man reaching out to me

C D
hands full of regrets

VERSE 2

I need to file these away somehow
Find a large bottom draw
The walls start crushing me inward now
My hands hammer the floor

CHORUS then Instrumental Verse

VERSE 5

G Dm/F
There's an echo inside my head
G Dm/F
Some ancient recall
G Dm/F
It says, "If you push back hard
C D
You can topple the wall."

VERSE 6

So, I'm packing the bottom draw
As fast as I can
Sat here at the lowest point
I follow the plan

G#m F#m

And I push

G#m F#m

And I push

G#m F#m (hold for two bars)

And I push (Britrock drums)

F#m Dm

Walls wobble

G Dm

Bricks tumble

Dm/F G Bm

My cage crumbles away

Timber crashes

Glass smashes

So, I can make my escape

CHORUS

F#m G#m
Oh no! if you only knew
F#m G#m
How I got stuck in the escape room
F#m G#m
Where the puzzles inside my head
G#m B
Won't let me break free
