

My Freshwater Pearl

|D |D |C |C |Gm |Gm |F |F |Am |Gm |D |

I caught a raindrop

Took it somewhere secret

I held it in suspension

And shined a light right through it

A myriad of colours

For I had discovered – a freshwater pearl

I took a line of spider's web

And passed it through the eyelet

Now I had a necklace

A jeweler in the sunlight

Placed it around you

Delicate and sparkling

My freshwater pearl
