

# Misfits in Love

Bernard Dady

## VERSE 1

F#m

You and me baby

A G F#m

Out on the town – on a Friday night

F#m

You and me baby

A G F#m

We've been spoiling – for an awful fight

F#m

Driving me crazy

A G F#m

In the arms – of another guy

F#m

But I know you're playing

A G F#m

From the glint in your eye

## CHORUS

B

I would be anything

A B

You want me to be

B

I could be anything

A E

If you'd just believe in me

## VERSE 2

F#m

You and me baby

A G F#m

Late in the bar – we flirt with desire

F#m

You and me baby

A G F#m

Our kind of love – is like playing with fire

F#m

I was being lazy

A G F#m

Watching you – slipping away

F#m

But you were just playing

A G F#m

To see what I'd say

## CHORUS

B

I would be anything

A B

You want me to be

B

I could be anything

A E

If you'd just believe in me

## Bridge

C D F C  
It doesn't have to be this way

F#m  
You and me baby

A G F#m  
Early hours – maybe just before dawn

You and me baby

A G F#m  
Such cruel words – and the guns are drawn

F#m  
Screaming and shouting

A G F#m  
The thumping of fists and the slamming of doors

F#m  
Out on the street

A  
You causing a scene

G F#m  
Makes me love you more

## CHORUS

B  
I would be anything

A B  
You want me to be

B  
I could be anything

A E  
If you'd just believe in me
