E. G. A

Please don't call me Mr Roosevelt  
The man stood on the Hoover Dam  
People call me Mr Vacuum head  
Is that really who I am?

Please don't call me Mr Roosevelt  
I'm Robin Hood in Lincoln green  
I raid the poor to feed the rich again  
And domination is my dream

D E  
I am living in a big White House

D. C  
In Washington DC

D. E  
Opening my big wide mouth

D. E  
No beating round the Bush with me.

Please don't call me Mr Roosevelt  
Tricky Dicky or Uncle Sam  
If you're looking for my strategy  
It's based on being Superman

Please don't call me Mr Roosevelt  
And I ain't no Eisenhower  
You may have stopped believing me  
But I am still a superpower

To see if can end the war  
He kindly advises me  
Says he can help my cause

*Please don't call Mr Gorbachev  
As I'm really not that soft  
Resort to torture and imprisonment  
That's when real presidents get tough*

*And I'm living here in Moscow  
With my secret FSB  
There is nowhere else that I can go  
There's no getting rid of me*
