

The Perfect Kiss

G

I now walk the ghostly highway

G

An eternal road through swirling mist

F6

I made a promise to a devil

G

I'd trade my soul for the perfect kiss

And so, I met her under stage lights

Am

Her reflection shimmered like the sun

Dm

Radiant in her sheer perfection

Dm

With a kiss, the cruel deal was finally done

Bm

E

Now I must walk the devil's highway

Bm

E

And sing of the ghostly places I have seen

G

Bm

I, I am lost forever

G

Bm

G

Because I dared to chase that dream

The Perfect Kiss

Am Em

I was lost within that moment

Am Em

A perfect kiss and a touch of fame

Dm G

But I was fading as she held me

Dm G

Witness the dying of the flame

Bm E

Now I must walk the devil's highway

Bm E

And sing of the ghostly places I have seen

G Bm

I, I am lost forever

G Bm

Because I dared to chase that dream

Because I dared to chase that dream

G F6

Chained by he that contracted me

Chained by he that contracted me

Chained by he that contracted me
